NOTE

Completion of this form is optional and not required for accreditation to the Auctions.
The form should only be completed and sent if you are interested in having your data included in the section of the www.corepla.it website dedicated to energy recovery activities, where the companies that treat waste supplied by the Consortium appear. The section has been activated in order to provide the best circulation of information on the functioning of the whole recovery chain.
If you send in this stamped and signed form, your details will be published on the website if you are awarded Plasmix.
However, you may at any time request that your data be erased by sending a notice to COREPLA at the address indicated above.
